

# 2001 BUILDING COMPONENT MANUFACTURERS CONFERENCE

Oct 31-Nov 2 • Louisville, Kentucky

# IDEAS

# To Build On

## ***Economics are why it's more important than ever to attend BCMC!***

WHAT'S IN  
YOUR  
FUTURE?

GETTING FROM  
HERE TO  
THERE...

Al Schuler's presentation - The Economic Forecast - ***"Economics of the Truss Industry - What's in Store for 2002"*** is a must-see!

The session will include up-to-date information regarding the impact September 11th will have on the component manufacturing industry and will provide an outlook on what's in store for the future.

Don't miss this timely opportunity to learn as much as you can and talk to your peers on their view about the future of our industry.
